Bowmoor Global Alpha Aggressive Fund

LE MANS TRADING

FUND DESCRIPTION

The BGAA strategy uses a sophisticated mathematical processes to identify and exploit major price trends across a diversified portfolio of 21 futures markets on CME and Eurex—spanning stock indices, interest rates, foreign exchange, metals, energy, grains, soft commodities, and livestock. By taking both long and short positions, the strategy is designed to profit in rising and falling markets alike, with performance driven by persistent macroeconomic trends that deliver a clear, repeatable source of alpha. Risk is strictly managed through daily rebalancing of allocations and position sizes. The fund aims to perform independently of traditional stock and bond investments, offering valuable diversification benefits and enhancing the risk/reward profile of a broader investment portfolio.

TRADE & EXECUTION TEAM

Gareth Abbot - Gareth is a mathematician by profession and passion and is a Fellow of the Institute of Mathematics and its Applications (FIMA). Gareth has a trading, research and investment management career built over 20 years, reading pure mathematics at Glasgow and Strathclyde University. Gareth started out his professional career in the City of London, heading up the derivatives desk at Duncan Duckett. He then joined Harmonic Capital Partners – a leading global macro hedge fund – where he was instrumental in its growth during that period from $10m to $250m in assets under management. Gareth designed and developed the Global Alpha strategy from 2003 to 2006 and, as Investment Manager, continues to run the strategy and is responsible for its on-going research and development.

Brendan Mulvany - Brendan Mulvany is an experienced Head of Execution, with over 30 years of trading experience. Brendan started his trading career with Dresdner Bank and Bank of America, specialising in the derivatives, futures and options markets. This led to Brendan building highly successful trading operations at the forefront of the investment industry, from the trading floor of the LIFFE EXCHANGE, to the desks of member firms KYTE FUTURES, REFCO, GHF FUTURES and MAREX. As Head of Execution, Brendan leads all aspects of the Global Alpha strategy implementation.
